## A Word from our Chairman

As Salaam Alaykum W W

The month of Dhul Hijja is around the corner which means that many members of our community will be preparing for a trip of a lifetime to fulfil their Islamic obligation – The Hajj.

I wish all those that are traveling this year for the pilgrimage a safe trip and request that all supplicate for the entire Muslim community as well as HMC.

The Muslim Ummah globally will be following in the footsteps of the Prophet Ibrahim عليه السلام by sacrificing animals for the pleasure of Allah Almighty. I pray that Allah Almighty accepts this noble act and a massive thank you the entire HMC supply chain for assisting the Muslim community to fulfil this Religious obligation.

### Q: Can I order my Qurbani directly with HMC?

A: HMC does not buy or sell products but you can locate your local HMC certified butcher who will be able to provide this service for you. To learn more about the HMC Qurbani Certification scheme please email [info@halalhmc.org](mailto:info@halalhmc.org) and a member of the HMC team will walk you through the process.

### Q: Can I carry out my own slaughter Qurbani?

A: For anyone to carry out slaughter in the UK, they must have a licence which is issued by the FSA.
